

It doesn't always have to be print ads...

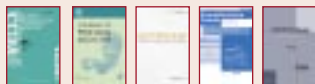

In our journals you can present your company and your products to the relevant expert groups in various ways. There are a number of possibilities, and we present a selection of them to you here. Of course we would also like to help you implement your own ideas and wishes.

Commercial offprints (reprints)

for »**Clinical Chemistry and Laboratory Medicine**«, »**Journal of Perinatal Medicine**«, »**Holzforschung**«, »**Biomedizinische Technik**« and »**LaboratoriumsMedizin**«

We can produce individual or selected articles from our journals as high-quality commercial offprints, using elements from your corporate design and your advertising campaign, according to your individual wishes and marketing needs.

Prior to the publication of the journals, we can also provide you with important articles that are relevant to your products and which you can incorporate into your advertising plan.

We provide you with pdf-files of individual articles from our journals that are relevant to your products for placement on your homepage, the Internet and Intranet.

Subscription sponsoring

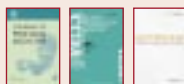

for »**Clinical Chemistry and Laboratory Medicine**«

As a sponsor, you have the possibility to provide opinion leaders in your field with print subscriptions of our journal that carry your company logo. Your involvement increases your marketing presence among scientists and important decision-makers, and we are happy to incorporate your individual wishes.

Supplement sponsoring

for »**Journal of Perinatal Medicine**«, »**Clinical Chemistry and Laboratory Medicine**« and »**Holzforschung**«

Upon request, our journals also publish supplement volumes which include research results on special topics or conference papers. These supplements also offer the possibility of publishing your applied research results within the framework of our scientific forum.
