The Linguistic Review

Editor-in-Chief: Harry van der Hulst, University of Leiden, the Netherlands

THE LINGUISTIC REVIEW aims at publishing high-quality papers in syntax, semantics, phonology, and morphology, within a framework of Generative Grammar and related disciplines, as well as critical discussions of theoretical linguistics as a branch of cognitive psychology. Striving to be a platform for discussion, THE LINGUISTIC REVIEW welcomes reviews of important new monographs in these areas, dissertation abstracts, and letters to the editor. The editor also welcomes initiatives for thematic issues with guest editors.

Distribution: worldwide

Of interest to: linguists and psychologists
