YALE AGRARIAN STUDIES SERIES
James C. Scott, Series Editor
The Agrarian Studies Series at Yale University Press seeks to publish outstanding and original interdisciplinary work on agriculture and rural society—for any period, in any location. Works of daring that question existing paradigms and fill abstract categories with the lived experience of rural people are especially encouraged.

—James C. Scott, Series Editor

James C. Scott, Seeing Like a State: How Certain Schemes to Improve the Human Condition Have Failed
