Creating the Qur’an
Luminos is the Open Access monograph publishing program from UC Press. Luminos provides a framework for preserving and reinvigorating monograph publishing for the future and increases the reach and visibility of important scholarly work. Titles published in the UC Press Luminos model are published with the same high standards for selection, peer review, production, and marketing as those in our traditional program. www.luminosoa.org
The publisher gratefully acknowledges the support of the Open Access Article & Book Processing Charge Committee, the University of Oregon Libraries, and the University of Regensburg Centre for Advanced Studies “Beyond Canon.”
