LIST OF TABLES

1.1 Geographical Distribution of Early Eighteenth-Century Ironworks

2.1 Capital Invested in Select Partnerships in the Charcoal Iron Industry

2.2 Average Variable Costs of Charcoal Blast Furnaces, 1710-1750, by Decades

2.3 Coalbrookdale Variable Costs, 1709-1737

2.4 Observed Variable Costs at Colnbridge Forge, 1730-1739 and Hypothetical Costs at Colnbridge, Using Average Physical Inputs from Coalbrookdale Forge for 1732-1738

3.1 Imports of Iron Products into England and Wales, 1720-1749, Annual Averages (in Tons)

4.1 Average Variable Costs of Charcoal Blast Furnaces, 1730s-1790s by Decade (in £ per Ton of Pig Iron)

4.2 Total Factor Productivity, Average Variable Costs, and Charcoal Prices for Select Charcoal Blast Furnaces, 1730-1801

4.3 Total Costs of Some Early Coke Blast Furnaces, 1730s-1780s

4.4 Total Factor Productivity and Average Total Costs for Select Early Coke Blast Furnaces.

4.5 Partnership Capital and Dividends Paid Out by Two Eighteenth-Century Iron Partnerships

4.6 Charcoal and Coke Furnaces in Operation, 1750-1791, and Their Estimated Output
8.2 Pig Iron Output, Prices, Furnaces in Operation, and Furnace Construction, 1823-1830

8.3 Average Variable Costs of Select Blast Furnaces and the Market Price of Pig Iron, 1810-1830

8.4 Total Factor Productivity, Average Variable Costs, Input Prices, and Inputs Used by Select Forges, 1804-1829

9.1 The Structure of Total Costs for Blair Ironworks, June 1841

9.2 Carbon Content of Various British Coals Used in Blast Furnaces

10.1 Size of the Wrought Iron Sector, 1860-1880

11.1 Regional Distribution of British Pig Iron Output, 1815 and 1871

11.2 Regional Distribution of Pig Iron Output and Puddling Furnaces, 1871

11.3 British Ore Output, Imports of Foreign Ore, and British Ore Prices Compared to General Price Indices, 1860-1880

A.1 Estimates of British Pig Iron Output in the Early Eighteenth Century

A.2 Estimates of British Bar Iron Output for the Early Eighteenth Century

A.3 Charcoal Blast Furnaces Erected and Shut Down in Great Britain, 1720-1749, by Decade

C.1 Regional and National Pig Iron Output Estimates, 1815-1823

C.2 British Iron Output, Furnaces, and Canal Shipments, 1823-1830

C.3 Aggregate Output Estimates, 1830-1840

C.4 South Staffordshire Output Estimates, 1840-1843
