A COMPANION TO ANGUS C. GRAHAM’S

The Society for Asian and Comparative Philosophy Monograph Series was started in 1974. Works are published in the series that deal with any area of Asian philosophy, or any other field of philosophy examined from a comparative perspective. The aim of the series is to make available scholarly works that exceed article length, but may be too specialized for the general reading public, and to make these works available in inexpensive editions without sacrificing the orthography of non-Western languages.
