More Praise for *Inrushes of the Heart*

“ʿAyn al-Qudāt’s scintillating spiritual prose is brought to life in this brilliant anthology by Mohammed Rustom. Rustom’s impeccable historical and philological scholarship creates a conductor for ʿAyn al-Qudāt’s lightning-like flashes of insights on the nature of reality, humanity, intellect, ethics, and revelation. *Inrushes of the Heart* is a veritable defibrillator, shocking our spiritual hearts back to life.”

—Oludamini Ogunnaike, Associate Professor of African Religious Thought and Democracy, University of Virginia

“Bringing to light the full spectrum of ʿAyn al-Qudāt’s bold and creative writings for the first time in modern scholarship, *Inrushes of the Heart* shows with blinding clarity why ʿAyn al-Qudāt is to be seen as one of the most luminous stars in the night sky of Islamic spirituality and intellectuality.”

—Omid Safi, Professor of Islamic Studies, Duke University

“The lucid translations and painstaking historical research on display in *Inrushes of the Heart* can serve as a model for scholars of religion and philosophy in general, and Islamic thought in particular. This definitive book on one of premodern Islam’s most significant thinkers will be an indispensable resource for students and researchers for decades to come.”

—Cyrus Ali Zargar, Al-Ghazali Distinguished Professor of Islamic Studies, University of Central Florida
