Stephanie Codsi’s editorial work was invaluable in preparing this collection for publication, especially on the bibliography and in completing the index. We would like to thank the Faculty of Arts and the Department of English at the University of Bristol for funding towards both permissions and editorial work. Jackie Jones and Adela Rauchova at Edinburgh University Press have provided supportive advice throughout. We are grateful to Susan Watkins, who helped to find this collection such a suitable home. The idea for this book and some of its chapters originated in Doris Lessing 2014: An International Conference, held at Plymouth University in September 2014. We would like to thank the School of Humanities and Performing Arts at Plymouth for funding the conference, the Doris Lessing Society for funding a drinks reception, and all the delegates for their stimulating contributions.
