Linguistic Studies in Ancient West Semitic

edited by

Cynthia L. Miller-Naudé and Jacobus A. Naudé

The series *Linguistic Studies in Ancient West Semitic* is devoted to the ancient West Semitic languages, including Hebrew, Aramaic, Ugaritic, and their near congeners. It includes monographs, collections of essays, and text editions informed by the approaches of linguistic science. The material studied will span from the earliest texts to the rise of Islam.
