ACKNOWLEDGEMENTS

The editors wish to thank a number of colleagues who have shared their knowledge and expertise with us and with the contributors to this volume. In particular we would like to thank Madeleine Herren, Johannes Paulmann and Pierre-Yves Saunier for their stimulating reflections, critical comments and numerous suggestions. A number of people supported this project at various stages. We would like to express our gratitude to Andrew Dodd, Francesca Piana and Shaloma Gauthier for their support as well as to Alexia Grosjean, Rona Johnston Gordon and Jordan Girardin for their diligent editorial work. This book would not have come to fruition without financial support, and we wish to thank the Fonds National de la Recherche Scientifique Suisse, the School of History and the Centre for Transnational History at the University of St Andrews, the Graduate Institute of International and Development Studies, the University of Cologne and the Cluster of Excellence ‘Religion and Politics’ at the Westfälische-Wilhelms-Universität Münster for their generous support. In various ways and capacities, all these experts and institutions shaped the ‘transnational sphere’ that constitutes this volume.
