Aporia is a new series devoted to studies in the field of philosophy. Aporia (\( \mathrm{Απορία} \)) means philosophical puzzle and the aim of the series is to present contributions by authors who systematically investigate current problems. Aporia (\( \mathrm{Απορία} \)) puts special emphasis on the publication of concise arguments on the topics studied. The publication has to contribute to the explanation of current philosophical problem, using a systematic or a historic approach. Contributions should concern relevant philosophical topics and should reflect the ongoing progress of scientific development.
