If this book exists – and I would like to believe that it does –, it is greatly due to the unwavering generosity and guidance of Joachim Küpper and Susanne Zepp. The final text has also benefited from the insights and support of Jürgen Brokoff, Anne Fleig, Gaia Gubbini, and Gesine Müller.

This book also couldn't have existed without the love and encouragement of some of the kindest Berliners to ever have ventured north of the Ring: Camila Gonzatto, Jasmin Wrobel, Jorge Estrada, Jule Govrin, Laura Gagliardi, Lena Abraham, Maddalena Graziano, Marcos Freire de Andrade Neves, Nora Weinelt, and Zairong Xiang.

My deepest gratitude to the Friedrich Schlegel Graduiertenschule and to all the incredible people that make things happen at the Freie Universität Berlin on a daily basis.
