Acknowledgements

The editors are grateful for the support from the University of California, Santa Barbara and from a grant of the Japanese Society for the Promotion of Science (JSPS, Nihon gakujustu shinkōkai) for the Core to Core Program at Nagoya University entitled “Tekusutogaku ni yoru shūkyō bunka isan no fuhenteki kachi sōsei gakujutsu kyōdōtai no kōchiku” テクスト学による宗教文化遺産の普遍的価値創成学术共同体の構築 (“Foundation of an academic community for the establishment of the universal value of religious cultural heritage based on the study of texts”), directed by professor Abe Yasurō, without which the conference first, and now this volume, would not have been possible.

Finally, we wish to thank all the participants in the conference, the contributors to the volume, and Sophie Wagenhofer, Katrin Mittmann, and the staff at De Gruyter.
