List of Figures

Fig. 3.1  Gap-licensing accounts —— 64
Fig. 3.2  Interaction accounts —— 65
Fig. 3.3  Independence accounts —— 66

Fig. 4.1  Categorical model of grammaticality —— 155
Fig. 4.2  Factorial model of acceptability —— 156
Fig. 4.3  Schematic representation of possible results —— 165
Fig. 4.4  Results of Experiment 1 —— 171
Fig. 4.5  Results of Experiment 2 compared to standardized fillers —— 180
Fig. 4.6  Results of Experiment 3 compared to standardized fillers —— 187
Fig. 4.7  Results of Experiment 4 compared to standardized fillers —— 195
Fig. 4.8  Results of Experiment 5 compared to standardized fillers —— 204
Fig. 4.9  Results of Experiment 6 compared to standardized fillers —— 214
Fig. 4.10 Results of Experiment 7 compared to standardized fillers —— 224
Fig. 4.11 Results of Experiment 8 compared to standardized fillers —— 231

Fig. 5.1  Factorial Acceptability Model for BPPAs —— 247
Fig. 5.2  Factorial Acceptability Model (extraction) —— 251
Fig. 5.3  Factorial Acceptability Model (durativity) —— 257
Fig. 5.4  Factorial Acceptability Model (durativity & scalar change) —— 264
Fig. 5.5  Factorial Acceptability Model (durativity, scalar change & transitivity) —— 267
Fig. 5.6  Factorial Acceptability Model for BPPAs (final model) —— 271
Fig. 5.7  Schematic representation of trivial and non-trivial scalar change —— 284
