German Economic Review publishes original research of general interest in a broad range of economic disciplines, including macro- and microeconomics, public economics, business administration and finance. Authors are invited to submit papers devoted to policy analysis as well as theoretical and empirical papers. All submissions are refereed. The journal’s internationally composed board of editors is committed to maintaining a high standard of quality.

As the official journal of the Verein für Socialpolitik (German Economic Association), German Economic Review is provided to all the members of the association. At the same time, the journal aims at a wider international audience and invites participation and subscriptions from economists around the world.
