The International Journal of Legal Discourse is associated with Multicultural Association of Law and Language and International Academy of Linguistic Law. This journal covers the whole spectrum of academic studies of legal discourse, including verbal and non-verbal. This journal aims to provide a world-class platform for academic exchanges in legal discourse as well as its neighboring areas, tapping into research on law, discourse analysis, linguistics, politics, semiotics, sociology, psychology and multilingualism. This journal invites contributions dealing with the interface of law, language and discourse, and the interaction among law professionals, administrators, policy makers and other social actors.
