Thermal and mechanical characteristics of cement nanocomposites

<https://doi.org/10.1515/secm-2021-0020>

received May 05, 2021; accepted May 05, 2021

Retraction of: Mostaf Jalal and Esmeel Mansouri. Thermal and mechanical characteristics of cement nanocomposites. *Sci Eng Compos Mater*. 2013;21(1):35–40. doi: 10.1515/secm.2012.0053.

This article has been retracted at the request of the Editor-in-Chief, as it contains a large portion of text that have been duplicated from the article: Byung Wan Jo, Chang-Huyn Kim, Ghi-ho Tae, and Jong-bin Park. Characteristics of cement mortar with nano-SiO₂ particles. *Constr Build Mater*. 2007;21(6):1351–5. doi: 10.1016/j.conbuildmat.2005.12.020.
