Special issue on *The evolution of writing systems*

<https://doi.org/10.1515/zfs-2021-2049>

This issue is the second special issue of *Zeitschrift für Sprachwissenschaft* to be published exclusively online, as a third issue complementing this year's two regular issues. ZS online-only issues are meant to offer a forum for one of the AGs (workshops) that are part of the annual conference of the *Deutsche Gesellschaft für Sprachwissenschaft* (DGfS, the Linguistic Society of Germany) to publish selected contributions of their AG. The present issue has emerged from the Workshop *The Evolution of Writing Systems: Empirical and Cross-Linguistic Approaches*, organized by the guest editors Jessica Nowak, Lisa Dücker, Stefan Hartmann, and Renata Szczepaniak and held at the 42nd Annual Conference in Hamburg, in March 2020.
