Connecting School and the Multilingual Home

NEW PERSPECTIVES ON LANGUAGE AND EDUCATION

Founding Editor: Viv Edwards, *University of Reading, UK*

Series Editors: Phan Le Ha, *University of Hawaii at Manoa, USA* and Joel Windle, *Monash University, Australia*.

Two decades of research and development in language and literacy education have yielded a broad, multidisciplinary focus. Yet education systems face constant economic and technological change, with attendant issues of identity and power, community and culture. This series will feature critical and interpretive, disciplinary and multidisciplinary perspectives on teaching and learning, language and literacy in new times.

All books in this series are externally peer-reviewed.

This book is dedicated to multilingual students, families and educators who live in diverse and rural settings, and who are frequently overlooked across the landscape of education. It is my sincere hope that the ideas set forth in this book pave new pathways to bring diverse people together for the betterment of our rural communities.
