Global TESOL for the 21st Century

NEW PERSPECTIVES ON LANGUAGE AND EDUCATION

Founding Editor: Viv Edwards, *University of Reading, UK*

Series Editors: Phan Le Ha, *University of Hawaii at Manoa, USA* and Joel Windle, *Monash University, Australia*.

Two decades of research and development in language and literacy education have yielded a broad, multidisciplinary focus. Yet education systems face constant economic and technological change, with attendant issues of identity and power, community and culture. This series will feature critical and interpretive, disciplinary and multidisciplinary perspectives on teaching and learning, language and literacy in new times.

All books in this series are externally peer-reviewed.
