Sustainable Tourism in Southern Africa
ASPECTS OF TOURISM
Series Editors: Chris Cooper, Nottingham University Business School, UK; C. Michael Hall, University of Canterbury, New Zealand and Dallen J. Timothy, Arizona State University, USA

Aspects of Tourism is an innovative, multi-faceted series, which comprises authoritative reference handbooks on global tourism regions, research volumes, texts and monographs. It is designed to provide readers with the latest thinking on tourism worldwide and push back the frontiers of tourism knowledge. The volumes are authoritative, readable and user-friendly, providing accessible sources for further research. Books in the series are commissioned to probe the relationship between tourism and cognate subject areas such as strategy, development, retailing, sport and environmental studies.

Full details of all the books in this series and of all our other publications can be found on http://www.channelviewpublications.com, or by writing to Channel View Publications, St Nicholas House, 31–34 High Street, Bristol BS1 2AW, UK.

The policy of Multilingual Matters/Channel View Publications is to use papers
that are natural, renewable and recyclable products, made from wood grown in
sustainable forests. In the manufacturing process of our books, and to further
support our policy, preference is given to printers that have FSC and PEFC Chain
of Custody certification. The FSC and/or PEFC logos will appear on those books
where full certification has been granted to the printer concerned.
