CANADIAN ANNUAL REVIEW OF POLITICS AND PUBLIC AFFAIRS, 1978

R.B. BYERS is a member of the Department of Political Science at York University.

JOHN SAYWELL is a member of the Department of History and the Faculty of Environmental Studies at York University.

The *Canadian Annual Review* has become an indispensable reference book for all concerned directly or indirectly with Canadian public affairs. It offers both a concise, convenient record of the year's events and a responsible appraisal of important developments. Compiled by a corps of Canadian scholars and experts, writing under the direction of two outstanding Canadian historians and political commentators, it is authoritative and eminently readable. Its articles can be read consecutively for interest and instruction, or they can be spot-read with ease to locate particular information. A superb index greatly enhances the value of this annual, now in its nineteenth year as the definitive record of Canadian political developments.

'The *Canadian Annual Review* is one of the things you cannot do without. No one who writes on current affairs, no student doing research, no reader trying to sort out the events of the past year can avoid it ... a first-rate one-volume account of each year.' J.L. Granatstein, *Quill & Quire*
