FRAMING CANADIAN FEDERALISM

Historical Essays in Honour of John T. Saywell

Framing Canadian Federalism assembles an impressive range of scholars to consider many important issues that relate to federalism and the history of Canada's legal, political, and social evolution. Covering topics such as the Supreme Court of Canada, changing policies towards human rights, First Nations, as well as the legendary battles between Mitchell Hepburn and W.L. Mackenzie King, this collection illustrates the central role that federalism continues to play in the Canadian polity.

Editors Dimitry Anastakis and P.E. Bryden and the volume's contributors demonstrate the pervasive effects that federalism has on Canadian politics, economics, culture, and history, and provide a detailed framework in which to understand contemporary federalism. Written in honour of John T. Saywell's half-century of accomplished and influential scholarly work and teaching, *Framing Canadian Federalism* is a timely and fitting tribute to one of the discipline's foremost thinkers.

DIMITRY ANASTAKIS is an associate professor in the Department of History at Trent University.

P.E. BRYDEN is an associate professor in the Department of History at the University of Victoria.
