Chapter 3, “Performative Typology, Jewish Genders, and Jesus’s Queer Romance in the York Corpus Christi Plays,” was originally published in *New Medieval Literatures* 20 (2020): 143–73. Chapter 4, “Excremental Desire, Queer Allegory, and the Disidentified Audience of Mankind,” was originally published in the *Journal of English and Germanic Philology* 119, no. 4 (2020): 457–83. I appreciate the collegial support and exacting standards of the editors of these journals, particularly Kellie Robertson, Robert Meyer-Lee, and Matthew Giancarolo, as well as their permission to republish this material.
