CONTENTS

I. What Can Works of Art Teach Us About Music?  1

II. Introduction  13

III. Forming the Locator Symbol  17
   1. Summary of rules  17
   2. Artist known  17
   3. Artist unknown  20
   4. Sculpture in situ  21
   5. Manuscript illuminations  21
   6. Anonymous illustrations in printed books  23

IV. Kind of Reproduction Available  24

V. Artist and His Dates  25

VI. School and Date of Work of Art  26
   1. Date  26
   2. Country or school  26
   3. List of countries and schools  27

VII. Title of Work of Art  30
   1. Independent object  30
   2. Manuscripts, books, series, and so on  30

VIII. Medium or Type of Object  32
   1. Summary of rules  32
   2. List of media and types of objects  33

IX. Present Location of Work of Art  39

X. Size of Work of Art  40

XI. Bibliography: Sources Which Contain Reproductions or Discussions  41
XII. Description of Work of Art  42
   1. Summary of rules  42
   2. Examples of descriptions  42

XIII. Subject Entries  45
   1. Main subject matter  45
      a. Importance of subject entries and cross references  45
      b. Main subject matter described by other categories  46
      c. Sobriquets and series titles  46
      d. List of sacred scenes with music  46
      e. Music itself as principal subject matter  49
   2. Principal persons  49
      a. Proper names as subject entries  49
      b. Greek and Roman names  49
      c. Omitting proper names  50
   3. Printed books and manuscripts  50
      a. Summary of rules  50
      b. Marginal ornaments  51
      c. Categories of texts  51
      d. List of categories of texts  51
      e. Names for musical instruments given in work of art or accompanying text  53
      f. Musical terms given in work of art or accompanying text  53
      g. Names for musicians given in work of art or accompanying text  53
   4. Number and kind of performers  53
      a. Number  53
      b. Type and social position  54
      c. Genus of nonhuman performers  54
      d. List of types of performers  54
   5. Kinds of musical activity  56
      a. Summary of rules  56
      b. Singers and singing  56
      c. Dancers and dancing  57
      d. Teachers of music  57
      e. Conductors  57
      f. Instrument makers  57
   6. Musical equipment  58
      a. Summary of rules  58
      b. Describing a work of art which pictures a piece of music  58
      c. Genre and title of composition illustrated  58
      d. Instrument cases, music stands, and so on  59
      e. Charts and diagrams  59
      f. Theatrical stage settings and costumes  59
   7. Location and occasion of musical activity  60
      a. Summary of rules  60
      b. City where performance takes place  60
      c. Special locations where musicians often are found  60
      d. List of locations and occasions gathered to date  61
XIV. Classification Scheme for Pictures of Musical Instruments 63

1. Classifying instruments according to shape 63
   a. Difficulties of adopting standard terms 63
   b. Summary of rules 64
