

RELATIVISM AND RELIGION

RELIGION, CULTURE, AND PUBLIC LIFE

RELIGION, CULTURE, AND PUBLIC LIFE

Series Editor: Karen Barkey

The resurgence of religion calls for careful analysis and constructive criticism of new forms of intolerance, as well as new approaches to tolerance, respect, mutual understanding, and accommodation. In order to promote serious scholarship and informed debate, the Institute for Religion, Culture, and Public Life and Columbia University Press are sponsoring a book series devoted to the investigation of the role of religion in society and culture today. This series includes works by scholars in religious studies, political science, history, cultural anthropology, economics, social psychology, and other allied fields whose work sustains multidisciplinary and comparative as well as transnational analyses of historical and contemporary issues. The series focuses on issues related to questions of difference, identity, and practice within local, national, and international contexts. Special attention is paid to the ways in which religious traditions encourage conflict, violence, and intolerance and also support human rights, ecumenical values, and mutual understanding. By mediating alternative methodologies and different religious, social, and cultural traditions, books published in this series will open channels of communication that facilitate critical analysis.

After Pluralism: Reimagining Religious Engagement, edited by Courtney Bender and Pamela E. Klassen

Religion and International Relations Theory, edited by Jack Snyder

Religion in America: A Political History, Denis Lacorne

Democracy, Islam, and Secularism in Turkey, edited by Ahmet T. Kuru and Alfred Stepan

To recognize the relative validity of one's convictions and yet stand for them unflinchingly.

—Joseph Schumpeter
