

JAOA Peer Reviewers, 2007

The consultants in the following list have reviewed manuscripts submitted for publication in *JAOA—The Journal of the American Osteopathic Association* during the previous calendar year. As noted, the names of reviewers who have joined THE JOURNAL's peer-reviewer roster since the publication of the January 2007 list of peer reviewers are indicated with an asterisk (*).

The *JAOA*'s editor in chief, associate editors, Editorial Advisory Board members, and staff acknowledge and thank the following experts for their dedication to the osteopathic medical profession as evidenced through their efforts to ensure the scientific validity and clinical usefulness of the *JAOA*, the premier scholarly publication of the osteopathic medical profession.

Physicians, faculty members, and others within the healthcare professions who are interested in reviewing manuscripts for the *JAOA* are encouraged to visit <http://www.jaoa.org/misc/peer.html> for more information.

Editor's note: Information on editorial consultants' professional titles and affiliations, when available, was taken from the American Osteopathic Association's (AOA) member database as of January 15, 2008. The cities and states listed are, similarly, taken from the AOA database and display members' preferred mailing addresses, which are not necessarily in the same city or state as their designated institutions.

AOA members who wish to update their personal contact information online may do so by logging on to the members-only section of the AOA's DO-Online Web site (<http://www.do-online.org>) and clicking on "AOA Member Service Center."

Alternatively, members and associate members may call the AOA Member Service Center at (800) 621-1773 during regular business hours to update their contact information with a live representative.
