LONDON, HUMPHREY MILFORD: OXFORD UNIVERSITY PRESS
1931
"There is in nature no moving power but mind, all else is passive and inert; in human affairs this power is opinion; in political affairs it is public opinion; and he who can grasp this power, with it will subdue the fleshly arm of physical strength, and compel it to work out his purpose."

—Viscount Palmerston, in the House of Commons, June 1, 1829
