Acknowledgments

The editors of the new edition would like to thank, at the New Jersey Historical Commission, Sara Cureton, Marc Mappen, Skylar Harris, and Niquole Primiani; at the New Jersey State Archives, Joanne Nestor, Veronica Calder, and Joseph Klett; and at the New Jersey State Library, Deborah Mercer. We are grateful, too, to the authors of the new essays for contributing their expertise on the state's most recent governors. We thank also those authors from the original edition who offered suggestions for updating their essays and provided new biographical information. Thanks, too, go to the staff at Rutgers University Press, especially Marlie Wasserman, Marilyn Campbell, Allyson Fields, Andrew Katz, Anne Hegeman, and Bryce Schimanski. Special appreciation to Joy Stoffers for her intrepid research on images.
