

THE EMPIRE OF THE ST. LAWRENCE: A STUDY IN COMMERCE AND POLITICS

Donald Creighton

With a new introduction by Christopher Moore

Originally published in 1937 as *The Commercial Empire of the St. Lawrence, 1760-1850* and re-issued in its present form in 1956, Donald Creighton's study of the St. Lawrence became an essential text in Canadian history courses. This, his first book, helped establish Creighton as the foremost English-Canadian historian of his generation. In it, he examines the trading system that developed along the St. Lawrence River and argues that the exploitation of key staple products by colonial merchants was central to Canada's economic and national development. Creighton tells the story largely from the perspective of these merchants, who, above all others, struggled to win the territorial empire of the St. Lawrence and to establish the Canadian commercial state.

CHRISTOPHER H. MOORE is a historian and Governor General Award winner.
