Preface

This volume grew out of a conference on ‘Dionysus and Rome,’ held at University College London on 3–4 September 2015, which was generously funded by the Classical Association, the Institute of Classical Studies, the Jowett Copyright Trust, the A.G. Leventis Foundation, and the Department of Greek and Latin at UCL. Heartfelt thanks go to all those who spoke at the conference, and to those who helped, especially Gesine Manuwald and Liz McKnight.

Sincere thanks are due to the series editors Franco Montanari and Antonios Rengakos, who accepted the book for publication, and to a number of expert readers. For help with production I warmly thank Jana Fritsche, Marco Acquafredda, and Katerina Zianna at De Gruyter. Last but not least, I am very grateful to Amélie von Kuhlberg for preparing the index.
