Critical Issues in Sport and Society

Michael Messner and Douglas Hartmann, Series Editors

Critical Issues in Sport and Society features scholarly books that help expand our understanding of the new and myriad ways in which sport is intertwined with social life in the contemporary world. Using the tools of various scholarly disciplines, including sociology, anthropology, history, media studies and others, books in this series investigate the growing impact of sport and sports-related activities on various aspects of social life as well as key developments and changes in the sporting world and emerging sporting practices. Series authors produce groundbreaking research that brings empirical and applied work together with cultural critique and historical perspectives written in an engaging, accessible format.
