VI. Gestures across cultures

73. Gestures in South Africa · Heather Brookes ........................................ 1147
74. Gestures in the Sub-Saharan region · Heather Brookes and Victoria Nyst 1154
75. Gestures in West Africa: Left hand taboo in Ghana · James Essegbey ... 1161
76. Gestures in West Africa: Wolof · Christian Meyer .............................. 1169
77. Gestures in South America: Spanish and Portuguese · Monica Rector 1175
78. Gestures in South American indigenous cultures · Sabine Reiter ......... 1182
79. Gestures in native South America: Ancash Quechua · Joshua Shapero 1193
80. Gestures in native Mexico and Central America: The Mayan Cultures · Penelope Brown .................................................. 1206
81. Gestures in native Northern America: Bimodal talk in Arapaho · Richard Sandoval .................................................. 1215
82. Gestures in Southwest India: Dance theater · Rajyashree Ramesh ..... 1226
83. Gestures in China: Universal and culturally specific characteristics · Shumeng Hou and Wing Chee So .................................... 1233
84. Gestures and body language in Southern Europe: Italy · Marino Bonaiuto and Tancredi Bonaiuto ........................................ 1240
85. Gestures in Southern Europe: Children’s pragmatic gestures in Italy · Maria Graziano .................................................. 1253
86. Gestures in Southwest Europe: Portugal · Isabel Galhano-Rodrigues ... 1259
87. Gestures in Southwest Europe: Catalonia · Lluís Payrató ..................... 1266
88. Gestures in Western Europe: France · Dominique Boutet and Simon Harrison .................................................. 1272
89. Gestures in Northern Europe: Children’s gestures in Sweden · Mats Andrén .................................................. 1282
90. Gestures in Northeast Europe: Russia, Poland, Croatia, the Czech Republic, and Slovakia · Grigory E. Kreydlin .................................................. 1289

VII. Body movements – Functions, contexts, and interactions

91. Body posture and movement in interaction: Participation management · Ulrike Bohle .................................................. 1301
92. Proxemics and axial orientation · Jörg Hagemann ............................... 1310
93. The role of gaze in conversational interaction · Mardi Kidwell ............ 1324
94. Categories and functions of posture, gaze, face, and body movements
   Beatrix Schönherr ................................ 1333
95. Facial expression and social interaction · Pio E. Ricci Bitti ........ 1342
96. Gestures, postures, gaze, and movement in work and organization · Ma-
   rino Bonaiuto, Stefano De Dominicis and Uberta Ganucci Cancellieri 1349
97. Gesture and conversational units · Ulrike Bohle ........................ 1360
98. The interactive design of gestures · Irene Kimbara .................. 1368
99. Gestures and mimicry · Irene Kimbara ................................ 1375
100. Gestures and prosody · Dan Loehr ............................... 1381
101. Structuring discourse: Observations on prosody
    and gesture in Russian TV-discourse · Nicole Richter ........... 1392
102. Body movements in political discourse ·
    Fridanna Maricchiolo, Marino Bonaiuto and Augusto Gnisci .... 1400
103. Gestures in industrial settings · Simon Harrison ................. 1413
104. Identification and interpretation of co-speech gestures
    in technical systems · Timo Sowa ................................ 1419
105. Gestures, postures, gaze, and other body movements in the 2nd language
    classroom interaction · Alexis Tabensky .......................... 1426
106. Bodily interaction (of interpreters) in music performance ·
    Richard Ashley ...................................... 1432
107. Gestures in the theater · Erika Fischer-Lichte ................... 1440
108. Contemporary classification systems · Ulrike Bohle ................. 1453
109. Co-speech gestures: Structures and functions · Fridanna Maricchiolo,
    Stefano De Dominicis, Uberta Ganucci Cancellieri, Angiola Di Conza,
    Augusto Gnisci and Marino Bonaiuto ............................. 1461
110. Emblems or quotable gestures: Structures, categories, 
    and functions · Lluís Payrató .................................. 1474
111. Semantics and pragmatics of symbolic gestures · Isabella Poggi ..... 1481
112. Head shakes: Variation in form, function, and cultural distribution 
    of a head movement related to “no” · Simon Harrison ........... 1496
113. Gestures in dictionaries: Physical contact gestures · Ulrike Lynn .. 1502
114. Ring-gestures across cultures and times: 
    Dimensions of variation · Cornelia Müller ........................ 1511
115. Gesture and taboo: A cross-cultural perspective · Heather Brookes ... 1523

VIII. Gesture and language

116. Pragmatic gestures · Lluís Payrató and Sedinha Teßendorf ........ 1531
117. Pragmatic and metaphoric – combining functional with cognitive 
    approaches in the analysis of the “brushing aside gesture” ·
    Sedinha Teßendorf ........................................ 1540
118. Recurrent gestures · Silva H. Ladewig ............................. 1558
119. A repertoire of German recurrent gestures with pragmatic functions ·
    Jana Bressem and Cornelia Müller .............................. 1575
120. The family of Away gestures: Negation, refusal, and negative assessment ·
    Jana Bressem and Cornelia Müller .............................. 1592
121. The cyclic gesture · Silva H. Ladewig ............................. 1605

Volume 1

Introduction · Cornelia Müller .................................................. 1

I. How the body relates to language and communication:
   Outlining the subject matter

1. Exploring the utterance roles of visible bodily action:
   A personal account · Adam Kendon ........................................ 7

2. Gesture as a window onto mind and brain, and the relationship to
   linguistic relativity and ontogenesis · David McNeill ............... 28

3. Gestures and speech from a linguistic perspective: A new field
   and its history · Cornelia Müller, Silva H. Ladewig and Jana Bressem 55

4. Emblems, quotable gestures, or conventionalized body
   movements · Sedinna Teßendorf ............................................. 82

5. Framing, grounding, and coordinating conversational interaction:
   Posture, gaze, facial expression, and movement in space · Mardi Kidwell 100

6. Homesign: When gesture is called upon to be
   language · Susan Goldin-Meadow ........................................... 113

7. Speech, sign, and gesture · Sherman Wilcox .......................... 125

II. Perspectives from different disciplines

8. The growth point hypothesis of language and gesture as a dynamic
   and integrated system · David McNeill ................................. 135

9. Psycholinguistics of speech and gesture: Production, comprehension,
   architecture · Pierre Feyereisen .......................................... 156

10. Neuropsychology of gesture production · Hedda Lausberg .......... 168

11. Cognitive Linguistics: Spoken language and gesture as expressions
    of conceptualization · Alan Cienki .................................... 182

12. Gestures as a medium of expression: The linguistic potential
    of gestures · Cornelia Müller ............................................... 202

13. Conversation analysis: Talk and bodily resources for the organization
    of social interaction · Lorenza Mondada ............................... 218

14. Ethnography: Body, communication, and cultural
    practices · Christian Meyer .................................................. 227

15. Cognitive Anthropology: Distributed cognition
    and gesture · Robert F. Williams ........................................ 240

16. Social psychology: Body and language in social
    interaction · Marino Bonaiuto and Fridanna Maricchiolo ........... 258

17. Multimodal (inter)action analysis: An integrative
    methodology · Sigrid Norris ............................................... 275

18. Body gestures, manners, and postures in
    literature · Fernando Poyatos ............................................. 287
III. Historical dimensions

19. Prehistoric gestures: Evidence from artifacts and rock art · Paul Bouissac ........................................ 301
20. Indian traditions: A grammar of gestures in classical dance and dance theatre · Rajyashree Ramesh ................. 306
21. Jewish traditions: Active gestural practices in religious life · Roman Katsman ........................................ 320
22. The body in rhetorical delivery and in theater: An overview of classical works · Dorota Dutsch .................................. 329
23. Medieval perspectives in Europe: Oral culture and bodily practices · Dmitri Zakharine ...................................... 343
24. Renaissance philosophy: Gesture as universal language · Jeffrey Wollock ................................................. 364
25. Enlightenment philosophy: Gestures, language, and the origin of human understanding · Mary M. Copple ............... 378
26. 20th century: Empirical research of body, language, and communication · Jana Bressem .................................. 393
27. Language → gesture → code: Patterns of movement in artistic dance from the Baroque until today · Susanne Foellmer ......................... 416
28. Communicating with dance: A historiography of aesthetic and anthropological reflections on the relation between dance, language, and representation · Yvonne Hardt ......................... 427
29. Mimesis: The history of a notion · Gunter Gebauer and Christoph Wulf ...................................................... 438

IV. Contemporary approaches

30. Mirror systems and the neurocognitive substrates of bodily communication and language · Michael A. Arbib ........................................ 451
31. Gesture as precursor to speech in evolution · Michael C. Corballis ......................... 466
32. The co-evolution of gesture and speech, and downstream consequences · David McNeill ........................................ 480
33. Sensorimotor simulation in speaking, gesturing, and understanding · Marcus Perlman and Raymond W. Gibbs ................. 512
34. Levels of embodiment and communication · Jordan Zlatev .......................................................... 533
35. Body and speech as expression of inner states · Eva Krumhuber, Susanne Kaiser, Kappas Arvid and Klaus R. Scherer .......... 551
36. Fused Bodies: On the interrelatedness of cognition and interaction · Anders R. Hougaard and Gitte Rasmussen ................. 564
37. Multimodal interaction · Lorenza Mondada .......................................................... 577
38. Verbal, vocal, and visual practices in conversational interaction · Margret Selting ......................... 589
39. The codes and functions of nonverbal communication · Judee K. Burgoon, Laura K. Guerrero and Cindy H. White ................. 609
40. Mind, hands, face, and body: A sketch of a goal and belief view of multimodal communication · Isabella Poggi ......................... 627
## Contents

41. Nonverbal communication in a functional pragmatic perspective · Konrad Ehlich .............................................. 648
42. Elements of meaning in gesture: The analogical links · Geneviève Calbris ........................................ 658
43. Praxeology of gesture · Jürgen Streeck .................................................. 678
44. A “Composite Utterances” approach to meaning · N. J. Enfield ...................... 689
45. Towards a grammar of gestures: A form-based view · Cornelia Müller, Jana Bressem and Silva H. Ladewig ............... 707
46. Towards a unified grammar of gesture and speech: A multimodal approach · Ellen Fricke ........................................ 733
47. The embodied mind: Cognitive-semiotic principles as motivating forces in gesture · Irene Mittelberg ........................................ 755
48. Articulation as gesture: Gesture and the nature of language · Sherman Wilcox ........................................ 785
49. How our gestures help us learn · Susan Goldin-Meadow ........................................ 792
50. Coverbal gestures: Between communication and speech production · Uri Hadar ........................................ 804
51. The social interactive nature of gestures: Theory, assumptions, methods, and findings · Jennifer Gerwing and Janet Bavelas ........................................ 821

### V. Methods

52. Experimental methods in co-speech gesture research · Judith Holler ...................... 837
53. Documentation of gestures with motion capture · Thies Pfeiffer ........................................ 857
54. Documentation of gestures with data gloves · Thies Pfeiffer ........................................ 868
55. Reliability and validity of coding systems for bodily forms of communication · Augusto Gnisci, Fridanna Maricchiolo and Marino Bonaiuto ........................................ 879
56. Sequential notation and analysis for bodily forms of communication · Augusto Gnisci, Roger Bakeman and Fridanna Maricchiolo ........................................ 892
57. Decoding bodily forms of communication · Fridanna Maricchiolo, Angiola Di Conza, Augusto Gnisci and Marino Bonaiuto ........................................ 904
58. Analysing facial expression using the facial action coding system (FACS) Bridget M. Waller and Marcia Smith Pasqualini ........................................ 917
59. Coding psychopathology in movement behavior: The movement psychodiagnostic inventory · Martha Davis ........................................ 932
60. Laban based analysis and notation of body movement · Antja Kennedy ........................................ 941
61. Kestenberg movement analysis · Sabine C. Koch and K. Mark Sossin ........................................ 958
62. Doing fieldwork on the body, language, and communication · N. J. Enfield ........................................ 974
63. Video as a tool in the social sciences · Lorenza Mondada ........................................ 982
64. Approaching notation, coding, and analysis from a conversational analysis point of view · Ulrike Bohle ........................................ 992
65. Transcribing gesture with speech · Susan Duncan ........................................ 1007
66. Multimodal annotation tools · Susan Duncan, Katharina Rohlfing and Dan Loehr ........................................ 1015

Unauthenticated
Download Date | 9/20/19 11:59 PM
67. NEUROGES — A coding system for the empirical analysis of hand movement behavior as a reflection of cognitive, emotional, and interactive processes · Hedda Lausberg ........................................ 1022
68. Transcription systems for gestures, speech, prosody, postures, and gaze · Jana Bressem ......................................................... 1037
69. A linguistic perspective on the notation of gesture phases · Silva H. Ladewig and Jana Bressem ...................................................... 1060
70. A linguistic perspective on the notation of form features in gestures · Jana Bressem ................................................................. 1079
71. Linguistic Annotation System for Gestures (LASG) · Jana Bressem, Silva H. Ladewig and Cornelia Müller .......................................... 1098
72. Transcription systems for sign languages: A sketch of the different graphical representations of sign language and their characteristics · Brigitte Garcia and Marie-Anne Sallandre ................. 1125
