1 A spotlight on health and life courses in Europe using SHARE Waves 6 and 7 — 1

Part I **Personality and childhood**

Edited by Agar Brugiavini and Guglielmo Weber

Bracha Erlich and Howard Litwin

2 Personality, age and the well-being of older Europeans — 35

Jonathan Shemesh, Ella Schwartz and Howard Litwin

3 Personality and physical health among older Europeans — 43

Marco Bertoni, Andrea Bonfatti, Martina Celidoni, Angela Crema and Chiara Dal Bianco

4 Personality traits and financial behaviour — 49

Noam Damri and Howard Litwin

5 Relationships with parents in childhood and well-being in later life — 57

Raluca E. Buia, Matija Kovacic and Cristina E. Orso

6 Effects of adverse childhood experiences on mental well-being later in life — 67

Part II **Health inequalities — Education and income**

Edited by Guglielmo Weber

Jørgen T. Lauridsen, Terkel Christiansen and Astrid R. Vitved

7 Dynamic changes in determinants of inequalities in health in Europe with a focus on retirement — 77

Louis Arnault, Florence Jusot, Nicolas Sirven, Marie-Anne Brieu, Didier Halimi and Françoise Forette

8 Persistence in inequalities of frailty at older age: A comparison of nine EU countries — 85

Michele Belloni, Danilo Cavapozzi, Chiara Dal Bianco, Yao Pan and Serena Trucchi

9 How do early-life conditions shape health age profiles late in life? — 91

Fabian Kratz and Johanna Bristle

10 Tracking and educational inequality in health in later life — 99

Part III Labour market, occupation and retirement

Edited by Agar Brugiavini

Yuri Pettinicchi and Axel Börsch-Supan

11 Long-term effects of different labour careers — 109

Yuri Pettinicchi and Axel Börsch-Supan

12 The economic situation of formerly self-employed workers — 119

Agnieszka Chłoń-Domińczak, Iga Magda and Paweł A. Strzelecki

13 Patterns of labour market participation and their impact on the well-being of older women — 129

Marco Bertoni, Andrea Bonfatti, Martina Celidoni, Angela Crema and Chiara Dal Bianco

14 End-of-working-life gender wage gap: The role of health shocks, parental education and personality traits — 141

Danilo Cavapozzi, Simona Fiore and Giacomo Pasini

15 Family dissolution and labour supply decisions over the life cycle — 149

Michele Belloni, Raluca Elena Buia, Matija Kovacic and Elena Meschi

16 Working conditions and health of older workers — 157

Part IV **Social transitions and economic crises**

Edited by Axel Börsch-Supan

Anikó Bíró and Réka Branyiczki

- 17 Health gap in post-socialist central and eastern Europe: A life-course perspective — 167**

Ekaterina Markova and Gabriela Yordanova

- 18 What is hidden behind the ‘obvious’? SHARE data raise the curtain about health, early retirement and elderly care of ageing Bulgarians — 179**

Loretta I. Dobrescu and Alin Marius Andrieş

- 19 The link to the past and the post-communist welfare state — 187**

Antigone Lyberaki, Platon Tinios, George Papadoudis and Thomas Georgiadis

- 20 The economic crisis, fiscal austerity and long-term care: Responses of the care mix in three adjustment countries — 197**

Ela Ostrovsky-Berman and Howard Litwin

- 21 Financial and non-financial transfers from parents to adult children after the economic crisis — 207**

Part V **Social context and health**

Edited by Howard Litwin

Ella Schwartz and Howard Litwin

- 22 Changes in social networks and cognitive declines — 219**

Liili Abuladze and Luule Sakkeus

- 23 The role of social networks and disability in survival — 227**

Melanie Wagner and Ina Holdik

- 24 Social embeddedness of care recipients and their spousal caregivers — 235**

Fátima Barbosa, Cláudia Cunha, Gina Voss and Alice Delerue Matos

- 25 The impact of living alone on physical and mental health: Does loneliness matter? — 243**

Stipica Mudražija, Šime Smolić and Ivan Čipin

26 Living alone in Europe and health behaviours — 249

Yarine Fawaz and Pedro Mira

27 Bereavement, loneliness and health — 259

Part VI **Healthcare and health behaviour**

Edited by Florence Jusot

Hendrik Jürges and Luca Stella

28 The social dynamics of unmet need, catastrophic healthcare expenses and satisfaction with health insurance coverage — 269

Simona Fiore, Matija Kovacic and Cristina E. Orso

29 Differences in healthcare use between immigrant and local older individuals — 279

Marco Bertoni, Andrea Bonfatti, Martina Celidoni, Angela Crema and Chiara Dal Bianco

30 Life expectancy and health investments — 289

Andrej Srakar and Valentina Prevolnik Rupel

31 Multiple chronic conditions in older people in European countries: A network analysis approach — 297

Part VII **Objective health**

Edited by Karen Andersen-Ranberg

Luzia M. Weiss, Judith Kronschnabl, Thorsten Kneip and Michael Bergmann

32 Changes in body mass and cognitive decline – disentangling a seeming paradox — 311

Jens Elmelund Rise, Linda Juel Ahrenfeldt, Rune Lindahl-Jacobsen and Karen Andersen Ranberg

33 The association between self-reported physical activity and physical performance: Does advancing age matter? — 319

Pedro Pita Barros, Fernando Pimentel-Santos and David Dias Neto

34 Grip strength across Europe – North/South and East/West divides — 327

Hendrik Jürges, Anne Laferrère and Adèle Lemoine

35 End of life and palliative care in Europe: An exploration of SHARE data — 337

Part VIII Dried blood spot samples

Edited by Axel Börsch-Supan

Axel Börsch-Supan, Martina Börsch-Supan and Luzia M. Weiss

36 Dried blood spot samples and their validation — 349

Luzia M. Weiss and Axel Börsch-Supan

37 Influence of fieldwork conditions and sample quality on DBS values — 359

Luzia M. Weiss, Martina Börsch-Supan, Michal Myck, Katarzyna Nocoń, Monika Oczkowska, Roman Topór-Mądry, Karen Andersen-Ranberg and Axel Börsch-Supan

38 Blood collection in the field – results and lessons from the polish test study — 367

Nis Borbye-Lorenzen and Martina Börsch-Supan

39 Identification of cytokine and lipoprotein markers for analyses in SHARE Wave 6 dried blood spots — 375
