

New Decade

6-10 July 2020, Mauritius

The International Conference on Pure and Applied Chemistry (ICPAC-2020) will be held from 6th to 10th July 2020 in Mauritius. The Organising Committee has adopted the theme “Frontiers in Chemical Sciences for the New Decade” for this event. The Conference will be held at Hilton Mauritius Resort & Spa, Flic-en-Flac, Mauritius.

The conference program will feature a wide variety of keynote, plenary, invited, and contributed lectures, as well as poster sessions. There will also be workshops and symposia conducted by experts on different chemical aspects.

This conference will provide a platform for participants to share and discuss recent findings of their research covering all topics related to Chemistry.

It will also be an opportunity for participants to visit the island of Mauritius, famous for its sun, sea and sand, and multicultural aspects.

We look forward to welcoming you, academicians and researchers, to participate in this international gathering.

Visas

It is a condition of endorsements that organizers of meetings under the auspices of IUPAC, in considering the locations of such meetings, should take all possible steps to ensure the freedom of all *bona fide* chemists from throughout the world to attend irrespective of race, religion, or political philosophy. IUPAC endorsement implies that entry visas will be granted to all *bona fide* chemists provided application is made not less than three months in advance. If a visa is not granted one month before the meeting, the IUPAC Secretariat should be notified without delay by the applicant.

How to Apply for IUPAC Endorsement

Conference organizers are invited to complete an Application for IUPAC Endorsement (AIE) preferably 2 years and at least 12 months before the conference. Further information on granting endorsement is included in the AIE and is available upon request from the IUPAC Secretariat or online.
