Search Help \textit{Großkommentar AktG Online}

Quick Search

The search box for quick search is displayed on top of the left-hand side. Enter a search term and click the magnifying glass to launch your search. The search will be performed in the Full Text field.

Advanced Search

Select \textit{More search options}... from the menu bar to open the advanced search form.

Three entry fields are available, each of them is preset with a search criterion. You can select a different search criterion from the list available for each entry field. Select the desired search category/ies from the drop-down menus and enter your search term(s) in the adjacent search box(es). Once you start typing a word, a word list or an auto-complete list will open ("find-as-you-type"). These lists contain all terms available in the selected field. You can click on a term to copy it to the search form, or type your search. Search terms within the same search box are automatically combined with a Boolean AND. Between search boxes you can use AND, OR or NOT. Click the \textbf{Search} button to launch your search. If you want to hide the auto-complete list, click anywhere in the browser window. Then the list will close and the search button will be easily accessible.
