### OUR PARTNERSHIP

In 2012, De Gruyter launched the Publisher Partner Program, initially signing Harvard University Press. Six years and eight partners later, this program has expanded and internationalized to include the following Publisher Partners:

- ▶ Amsterdam University Press
- ▶ Columbia University Press
- ▶ Cornell University Press
- ▶ Harvard University Press
- ▶ Princeton University Press
- ▶ transcript Verlag
- ▶ University of Pennsylvania Press
- ▶ University of Toronto Press
- ▶ Yale University Press

De Gruyter is a scholar's press, where emphasis is placed on quality research and on the contributors whose work we represent. The mission of De Gruyter and of these leading academic publishers we represent are aligned: to continue dedicated publishing of scholarly monographs in an increasingly difficult financial landscape, and to support scholars in reaching an audience for their research.

This international partnership promotes the distribution of high-level scholarly, academic literature in more than 20 key subject areas. Our partners' unique content has been integrated within our online platform and is accessible from anywhere in the world. Nearly 20,000 more eBooks are now available, covering frontlist, backlist, and previously hard-to-find archive titles.

### PARTNERSHIP BENEFITS

- ▶ All eBooks completely integrated in the De Gruyter website
- ▶ MARC Records and DOIs supplied for all eBooks
- ▶ All titles DRM free: users can download, print, and save eBooks for their own usage
- ▶ Diverse selection of titles available to customers worldwide
- ▶ Customer support and assistance provided in-house via De Gruyter
