Quick Search
The search box for quick search is displayed on top of the left-hand side. Enter a search term and click the magnifying glass to launch your search. The search will be performed in the Full Text field.

Advanced Search
Select More search options... from the menu bar to open the advanced search form.

Three entry fields are available, each of them is preset with a search criterion. You can select a different search criterion from the list available for each entry field. Select the desired search category(ies) from the drop-down menus and enter your search term(s) in the adjacent search box(es). Once you start typing a word, a word list or an auto-complete list will open (“find-as-you-type”). These lists contain all terms available in the selected field. You can click on a term to copy it to the search form, or type your search. Search terms within the same search box are automatically combined with a Boolean AND. Between search boxes you can use AND, OR or NOT. Click the Search button to launch your search. If you want to hide the auto-complete list, click anywhere in the browser window. Then the list will close and the search button will be easily accessible.
