ANGLIA
Journal of English Philology

Your benefits

- Leading international journal in the fields of English Language and Literature
- Extensive and prestigious archive dating back to 1878
- High-quality and original research and review articles

Objective

Anglia. Journal of English Philology is the longest running journal of English studies. As a quarterly academic journal, Anglia publishes articles on English language and linguistics, on English literature and culture from the Middle Ages to the present, on American literature and culture, on New literatures in English, as well as on general and comparative literary studies, including aspects of cultural and literary theory. Reviews on recent publications in the research areas mentioned are included in all volumes.

Topics

- English and American literature and culture
- New literatures in English
- General and comparative literature studies
- Cultural and literar theory
- Medieval literature
- English linguistics

Article formats
