MULTILINGUA
Journal of Cross-Cultural and Interlanguage Communication

Objective
Multilingua is a refereed academic journal publishing six issues per volume. It has established itself as an international forum for interdisciplinary research on linguistic diversity in social life. The journal is particularly interested in publishing high-quality empirical yet theoretically-grounded research from hitherto neglected sociolinguistic contexts worldwide.

Topics
- Bi- and multilingualism
- Language education, learning, and policy
- Inter- and cross-cultural communication
- Translation and interpreting in social contexts
- Critical sociolinguistic studies of language and communication in globalization, transnationalism, migration, and mobility across time and space

Article formats
Research articles, research notes, reports, debates, review articles and short reviews

Information on submission process

Your benefits:
- Provides an international forum for interdisciplinary research on linguistic diversity in social life
- Facilitates exchange of information and experience between academics and practitioners
- Focuses on neglected sociolinguistic contexts worldwide
- Features special issues allowing in-depth exploration of specific topics

Multilingua has partnered with Language on the Move to regularly feature selected Multilingua articles and to bring them to the attention of a wider audience. Language on the Move is a peer-reviewed sociolinguistics research site devoted to multilingualism, language learning and intercultural communication in the contexts of globalization and migration. Language on the Move aims to disseminate sociolinguistic research to a broad global audience.
