The journal aims to promote knowledge that is directly relevant to all fields of Medical Science. Subject areas suitable for publication include, but are not limited to, the following:

- Anesthesiology
- Cardiology
- Clinical Microbiology and Infectious Diseases
- Dental Medicine
- Dermatology
- Endocrinology
- Gastroenterology
- Gynecology
- Immunology
- Internal Medicine
- Otolaryngology
- Nephrology
- Neurology
- Oncology
- Ophthalmology
- Orthopedics
- Pediatric and Neonatology
- Public health
- Surgery
- Urology

Open Medicine also publishes original works in the fields of Medical Genetics, Molecular and Experimental Medicine.

**Why submit**

As an Author of Open Medicine You benefit from:

- fast, fair and constructive peer review
- immediate publication of articles
- language-correction services for authors from non-English speaking regions
- no limitations on color figures and word count in published articles
- free availability to everyone, anywhere in the world
- extensive promotion of all articles
- distribution to open access directories (such as DOAJ) and thousands of libraries worldwide
- authors retain copyright to their work

**Journal partners**

Online:
- Open Access
- 1 Issue per year
- Online ISSN: 2391-5463

**Language of Publication:** English

**Subjects:**
- Clinical Medicine
- Clinical Medicine, other

**Of interest to:** Researchers in the field of medicine.

**IMPACT FACTOR 2017:** 0.484
**5-year IMPACT FACTOR:** 0.484

**CiteScore 2017:** 0.53

**SCImago Journal Rank (SJR) 2017:** 0.154
**Source Normalized Impact per Paper (SNIP) 2017:** 0.264
**ICV 2017:** 152.94

Topical Issues:

- **Computational Intelligence Methodologies Meets Recurrent Cancers – From Prediction to Prognosis**
  Guest Editors: Chi-Chang Chang, Chung-Shan Medical University, Taiwan / Tetsuya Sakurai, University of Tsukuba, Japan

- **Cancer Biomarkers**
  Guest Editor: Qian Liu, Tianjin Medical University General Hospital, China

- **Pathophysiology, Diagnosis, and Treatment of Arterial Hypertension**
  Guest Editor: Joaquin Garcia-Estañ, University of Murcia, Spain

**Past Topical/Special Issues**

Open Medicine is an open access journal that provides users with free, instant, and continued access to all content worldwide. The primary goal of the journal has always been a focus on maintaining the high quality of its published content. Its mission is to facilitate the exchange of ideas between medical science researchers from different countries. Papers connected to all fields of medicine and public health are welcomed. Open Medicine accepts submissions of research articles, reviews, case reports, letters to editor and book reviews.

**Managing Editor:**
Magdalena Wierzchowiecka, De Gruyter

**Editor-in-Chief**
Zbigniew Darzynkiewicz, New York Medical College, USA

**Guest Editor**
Qian Liu, Tianjin Medical University General Hospital, China
Editors:
Anesthesiology and intensive care
Franz J. Wiedermann, Medical University of Innsbruck, Austria
Wolfgang Zink, University of Regensburg, Germany

Cardiology
Hiroshi Hasegawa, Chiba University Graduate School of Medicine, Japan
Yuxin Li, Nihon University School of Medicine, Japan
Yau Sui Yu, Open University of Hong Kong, Hong Kong

Clinical microbiology and infections diseases
Hannu Elo, University of Helsinki, Finland
Manuela Tamburro, University of Molise, Campobasso, Italy

Dental medicine
Lorenzo Lo Muzio, University of Foggia, Italy
Terukazu Sanui, Faculty of Dental Science, Kyushu University, Fukuoka, Japan
Miira Vehkalahti, University of Helsinki, Finland

Endocrinology
, Università degli Studi del Molise, Italy

Gastroenterology
Jose Manuel Ramia, Department of Surgery, Hospital Universitario de Guadalajara, Spain

Gynecology and Obstetrics
Tomas Fait, Charles University in Prague, Czech Republic
Violante Di Donato, Sapienza University of Rome, Italy

Immunology and allergology
Nobuyasu Baba, Kochi University Medical School, Japan
Silvia Deaglio, University of Turin, Italy
Douglas M Noonan, University of Insurbria, Italy
Voja Pavlovic, Institute of Physiology Medical Faculty in Nis, Serbia
Giuseppina Ruggiero, Università di Napoli "Federico II", Napoli, Italy

Internal medicine
Arnon Blum, Baruch-Padeh Poria Hospital, Israel
Harish Iyer, Albert Einstein Medical Center
Vladimir Jurisic, University of Kragujevac Serbia
David Scott, Clinical Research Development Associates, LLC

Otolaryngology
Lorenzo Lo Muzio, University of Foggia, Italy
Yohanna Takwoingi, Department of Otolaryngology in Birmingham, UK
Medical genetics
Damjan Glavac, University of Ljubljana, Slovenia
Michela Grosso, University of Naples Federico II, Naples, Italy
Sachio Morimoto, Kyushu University Graduate School of Medicine, Japan
Nicola Zambrano, Università degli Studi di Napoli Federico II, Naples, Italy

Molecular and experimental medicine
Karolina Jabłońska, Histology and Embriology Department, Wroclaw Medical University, Poland
Daniela Galli, University of Parma, Italy
Damjan Glavac, University of Ljubljana, Slovenia
Wolfgang F. Graier, Medical University of Graz, Austria
Martin Jaburek, Academy of Sciences of the Czech Republic, Prague, Czech Republic
Rui-Cheng Ji, Faculty of Medicine, Oita University, Japan
Bruno Moncharmont, Università degli Studi del Molise, Italy
Je Hoon Seo, Chungbuk National University College of Medicine, South Korea
Benjamin Weeks, Biology Department, Adelphi University, Garden City, United States Minor Outlying Islands

Nephrology
Joaquin Garcia-Estañ Lopez, University of Murcia, Spain
Ligia Petrica, Victor Babes University of Medicine and Pharmacy Timisoara, County Emergency Hospital, Department of Nephrology, Timisoara, Romania
David Scott, Clinical Research Development Associates, LLC

Neurology
Panteleimon Giannakopoulos, University of Geneva School of Medicine, Switzerland
Hamidollah Hassanalouei, Marquette University, USA
Tibor Hortobágyi, University of Szeged, Hungary; IOPPN, King’s College London, UK
Lucia Urdzikova, Institute of Experimental Medicine in Prague, Czech Republic
Borut Peterlin, University Medical Center Ljubljana, Slovenia
Sébastien Talbot, Boston Children’s Hospital, Harvard Medical School, USA

Oncology
Rahul Chib, Rutgers, The State University of New Jersey, USA
Elena S. Gershtein, Russian N.N.Blokhin Cancer Research Center RAMS in Moscow, Russia
Vladimir Jurisic, University of Kragujevac Serbia
Jiang Qian, The Ohio State University, USA
Jeong Seon Ryu, Inha University hospital, Incheon, Korea
Xiaojun Sun, St. Jude Children's Research Hospital, USA
Haineng Xu, University of Pennsylvania Perelman School of Medicine, USA

Ophthalmology
Petr Soucek, Charles University in Prague, Czech Republic
