OPEN ARCHAEOLOGY
Ed. by Anthony Harding

Why subscribe and read

Open Archaeology is a forum of novel approaches to archaeological theory, methodology and practice, and an international medium for the dissemination of research data and interdisciplinary projects.

The journal is designed to facilitate the exchange of ideas between researchers from different countries. Open Archaeology accommodates different styles and formats to help scientists from various backgrounds interact effortlessly.

Why submit

Authors of Open Archaeology benefit from:

► transparent, comprehensive and fast peer review
► efficient fast-track publication
► worldwide dissemination and accessibility of articles
► promotion of each published article
► free language-correction services for authors from non-English speaking regions

Journal Partners

► 40th Theoretical Archaeology Group Conference, 17th–19th December 2018, Department of History and Archaeology, University of Chester, Chester, UK

Online:
Open Access
1 Issue per year
Online ISSN: 2300-6560

Open Archaeology is a new, peer-reviewed, electronic-only journal that publishes original, high-quality research on all aspects of archaeology. The journal encompasses novel, interdisciplinary approaches to archaeological data including archaeological science, theory and interpretation as well as archaeological heritage management and promotion.

The aim of Open Archaeology is to become a premier source of knowledge and a worldwide-recognized platform of exchange for scientists, without any geographical or temporal restrictions.

Scope of the journal includes, but is not restricted to:

- World Archaeology - discoveries and research
- Archaeological science
- Theory and interpretation in archaeology
- Archaeological heritage preservation and management

**Editor-in-Chief**
Anthony Harding, University of Exeter, UK

**Managing Editor**
Katarzyna Michalak, De Gruyter Open, Poland

**Editors:**
Archaeological heritage preservation and management:
Francesco Gabellone, National Research Council, Italy
