- listed in Thomson Scientific Master Journal List.

**Similarity Check Plagiarism Screening System**
The editorial board is participating in a growing community of Similarity Check System’s users in order to ensure that the content published is original and trustworthy. Similarity Check is a medium that allows for comprehensive manuscripts screening, aimed to eliminate plagiarism and provide a high standard and quality peer-review process.

Detailed description of the Similarity Check System can be found at: [https://www.crossref.org/services/similarity-check/](https://www.crossref.org/services/similarity-check/)
