► To get informed on the latest research in pharmaceutical and related sciences.

Why submit

► fair and constructive peer review by the experts in the field,
► editorial help and language revision services,
► articles abstracted by online indexing services,
► listed in Thomson Scientific Master Journal List.

Similarity Check Plagiarism Screening System

The editorial board is participating in a growing community of Similarity Check System's users in order to ensure that the content published is original and trustworthy. Similarity Check is a medium that allows for comprehensive manuscripts screening, aimed to eliminate plagiarism and provide a high standard and quality peer-review process.

Detailed description of the Similarity Check System can be found at: https://www.crossref.org/services/similarity-check/

Quarterly journal dealing with all branches of pharmaceutical and related sciences.
