► listed in Thomson Scientific Master Journal List.

CrossCheck Plagiarism Screening System
The editorial board is participating in a growing community of CrossCheck System's users in order to ensure that the content published is original and trustworthy. CrossCheck is a medium that allows for comprehensive manuscripts screening, aimed to eliminate plagiarism and provide a high standard and quality peer-review process.

Detailed description of the CrossCheck System can be found at: http://www.crossref.org/crosscheck/index.html
