Why submit

▶ streamlined peer reviewing process with an outstanding pool of reviewers,
▶ coverage by major abstracting and indexing services,
▶ editorial help and education to young contributors,
▶ language revision and copyediting services.

Similarity Check Plagiarism Screening System

The editorial board is participating in a growing community of Similarity Check System's users in order to ensure that the content published is original and trustworthy. Similarity Check is a medium that allows for comprehensive manuscripts screening, aimed to eliminate plagiarism and provide a high standard and quality peer-review process.

Detailed description of the Similarity Check System can be found at:
