Why subscribe and read

The journal aims to provide readers timely articles of high quality in the fields of economics, business and management.

Why submit

Publishing in our journal associates with quality in the sense that the articles are being reviewed several times having a structure that is in line with international standards. Potentially the articles published in this journal will be visible in several databases.

Rejection Rate

33%

Similarity Check Plagiarism Screening System

The editorial board is participating in a growing community of Similarity Check System's users in order to ensure that the content published is original and trustworthy. Similarity Check is a medium that allows for comprehensive manuscripts screening, aimed to eliminate plagiarism and provide a high standard and quality peer-review process.

Detailed description of the Similarity Check System can be found at: https://www.crossref.org/services/similarity-check/

As a broad-based professional and international journal, the Acta Universitatis Sapientiae, Economics and Business welcomes submissions of applied and theoretical research papers in all fields of Economics and Business. The journal especially encourages submissions on research from management, marketing, quantitative methods and their applications, regional economics, regional development, agricultural economics, and finance. However, the journal is open

degryuter.com
to research coming from other areas of Economics and Business as well. The primary interest is to publish academic research, but the journal also welcomes good quality research coming from practitioners.
