Why subscribe and read

- This journal publishes high quality original articles which have previously been reviewed by at least two reviewers.

Why submit

- Fast and constructive peer review.
- Editing of all articles independently whether they are written by authors from English or non-English speaking regions.

CrossCheck Plagiarism Screening System
The editorial board is participating in a growing community of CrossCheck System’s users in order to ensure that the content published is original and trustworthy. CrossCheck is a medium that allows for comprehensive manuscripts screening, aimed to eliminate plagiarism and provide a high standard and quality peer-review process.

Detailed description of the CrossCheck System can be found at:
