COMPARATIVE ECONOMIC RESEARCH

Why subscribe and read

▶ Basic and premier source of high quality research from Central and Eastern Europe,
▶ Excellent articles authored by researchers from Central and Eastern Europe, who appreciate our fair and constructive peer review.

Why submit

▶ Promotion of each published article in the very, far and constructive peer review,
▶ The Editors are safeguarding high scientific quality of published articles,
▶ Here you can find more information www.comparative.uni.lodz.pl
▶ The papers are anonymously peer-reviewed. i.e., the identity of the authors is concealed from the reviewers and the authors do not know the names of the reviewers (the so-called "double blind review").
▶ The journal does not have article processing charges (APCs) nor article submission charges.

Similarity Check Plagiarism Screening System

The editorial board is participating in a growing community of Similarity Check System's users in order to ensure that the content published is original and trustworthy. Similarity Check is a medium that allows for comprehensive manuscripts screening, aimed to eliminate plagiarism and provide a high standard and quality peer-review process.

Detailed description of the Similarity Check System can be found at: https://www.crossref.org/services/similarity-check/

All areas of economics and economic policy with special reference to Central and Eastern Europe and New Members of the EU.
