The journal aims to promote knowledge that is directly relevant to all fields of Medical Science. Subject areas suitable for publication include, but are not limited to, the following:

- Anesthesiology, Cardiology, Clinical Microbiology and Infectious Diseases,
- Dental Medicine, Dermatology, Endocrinology, Gastroenterology, Gynecology,
- Immunology, Internal Medicine, Otolaryngology, Nephrology, Neurology,
- Oncology, Ophthalmology, Orthopedics, Pediatric and Neonatology, Public health, Surgery, Urology

Open Medicine also publishes original works in the fields of Medical Genetics, Molecular and Experimental Medicine.

**Why submit**

As an Author of Open Medicine You benefit from:

- fast, fair and constructive peer review
- immediate publication of articles
- language-correction services for authors from non-English speaking regions
- no limitations on color figures and word count in published articles
- free availability to everyone, anywhere in the world
- extensive promotion of all articles
- distribution to open access directories (such as DOAJ) and thousands of libraries worldwide
- authors retain copyright to their work

**Journal Partners**

Topical Issue on **Cancer Biomarkers**
Guest Editor: **Qian Liu**, Tianjin Medical University General Hospital, China
Past Topical/Special Issues

Open Medicine is an open access journal that provides users with free, instant, and continued access to all content worldwide. The primary goal of the journal has always been a focus on maintaining the high quality of its published content. Its mission is to facilitate the exchange of ideas between medical science researchers from different countries. Papers connected to all fields of medicine and public health are welcomed. Open Medicine accepts submissions of research articles, reviews, case reports, letters to editor and book reviews.

Managing Editor:
Magdalena Wierzchowiecka, De Gruyter Open

Editor-in-Chief
Zbigniew Darzynkiewicz, New York Medical College, USA

Guest Editor
Qian Liu, Tianjin Medical University General Hospital, China

Editors:
Anesthesiology and intensive care
Franz J. Wiedermann, Medical University of Innsbruck, Austria
Wolfgang Zink, University of Regensburg, Germany

Cardiology
Hiroshi Hasegawa, Chiba University Graduate School of Medicine, Japan
Yuxin Li, Nihon University School of Medicine, Japan
Yau Sui Yu, Open University of Hong Kong, Hong Kong

Clinical microbiology and infections diseases
Roberto Di Marco, Università del Molise, Italy
Hannu Elo, University of Helsinki, Finland

Dental medicine
Lorenzo Lo Muzio, University of Foggia, Italy
Terukazu Sanui, Faculty of Dental Science, Kyushu University, Fukuoka, Japan
Miira Vehkalahti, University of Helsinki, Finland

Endocrinology
Bruno Moncharmont, Università degli Studi del Molise, Italy

Gastroenterology
Jose Manuel Ramia, Department of Surgery, Hospital Universitario de Guadalajara, Spain

Gynecology and Obstetrics
Tomas Fait, Charles University in Prague, Czech Republic

Immunology and allergology
Nobuyasu Baba, Kochi University Medical School, Japan
Silvia Deaglio, University of Turin, Italy
Douglas M Noonan, University of Insubria, Italy
Voja Pavlovic, Institute of Physiology Medical Faculty in Nis, Serbia
Giuseppina Ruggiero, Università di Napoli "Federico II", Napoli, Italy

Internal medicine
Arnon Blum, Baruch-Padeh Poria Hospital, Israel
Harish Iyer, Albert Einstein Medical Center
Vladimir Jurisic, University of Kragujevac Serbia
David Scott, Clinical Research Development Associates, LLC

Otolaryngology
Lorenzo Lo Muzio, University of Foggia, Italy
Yohanna Takwoingi, Department of Otolaryngology in Birmingham, UK

Medical genetics
Damjan Glavac, University of Ljubljana, Slovenia
Michela Grosso, University of Naples Federico II, Naples, Italy
Sachio Morimoto, Kyushu University Graduate School of Medicine, Japan
Nicola Zambrano, Università degli Studi di Napoli Federico II, Naples, Italy

Molecular and experimental medicine
Karolina Jabłońska, Histology and Embriology Department, Wroclaw
Medical University, Poland
Daniela Galli, University of Parma, Italy
Damjan Glavac, University of Ljubljana, Slovenia
Wolfgang F. Graier, Medical University of Graz, Austria
Martin Jaburek, Academy of Sciences of the Czech Republic, Prague, Czech Republic
Rui-Cheng Ji, Faculty of Medicine, Oita University, Japan
Bruno Moncharmont, Università degli Studi del Molise, Italy
Je Hoon Seo, Chungbuk National University College of Medicine, South Korea
Benjamin Weeks, Biology Department, Adelphi University, Garden City, United States Minor Outlying Islands

Nephrology
Joaquin Garcia-Estañ Lopez, University of Murcia, Spain
Liga Petrica, Victor Babes University of Medicine and Pharmacy Timisoara, County Emergency Hospital, Department of Nephrology, Timisoara, Romania
David Scott, Clinical Research Development Associates, LLC

Neurology
Panteleimon Giannakopoulos, University of Geneva School of Medicine, Switzerland
Hamidollah Hassanlouei, Marquette University, USA
Tibor Hortobágyi, University of Debrecen, Medical & Health Sciences Centre, Debrecen, Hungary
Lucia Urdzikova, Institute of Experimental Medicine in Prague, Czech Republic
Borut Peterlin, University Medical Center Ljubljana, Slovenia
Sébastien Talbot, Boston Children's Hospital, Harvard Medical School, USA
Oncology

Elena S. Gershtein, Russian N.N.Blokhin Cancer Research Center RAMS in Moscow, Russia
Jeong Seon Ryu, Inha University hospital, Incheon, Korea
Vladimir Jurisic, University of Kragujevac Serbia
Jiang Qian, The Ohio State University, USA
Haineng Xu, University of Pennsylvania Perelman School of Medicine, USA

Ophthalmology

Petr Soucek, Charles University in Prague, Czech Republic

Pharmacology and toxicology

Tomasz Baczek, Department of Biopharmaceutics and Pharmacodynamics
Medical University of Gdansk, Poland
Ita Mochi FUNG, Caritas Institute of Higher Education , Hong Kong
Damianka Getova, Medical University in Plovdiv, Bulgaria
Witold Musial, Department of Pharmaceutical Technology, Wroclaw Medical University, Poland
Vladimir Polshakov, Moscow State University, Faculty of Fundamental Medicine, Russia

Psychiatry and neuropsychiatry

Nestor Kapusta, Department of Psychoanalysis and Psychotherapy, Medical University of Vienna, Austria

Public health, epidemiology and biostatistics

Renata Adamek, Poznan University of Medical Sciences, Poland
Amâncio António de Sousa Carvalho, University of Trás-os-Montes e Alto Douro, Italy
Pietro Cipresso, IRCCS Istituto Auxologico Italiano, Italy
Haruhisa Fukuda, Kyushu University Graduate School of Medical Sciences, Japan
Angela Heavey, Trinity College Dublin, Ireland
Raquel Leitão, College of Education, Viana do Castelo Polytechnic Institute, Portugal
Paweł Lewek, Medical University of Lodz, Poland
Enbo Ma, Faculty of Medicine, University of Tsukuba, Japan
Giancarlo Ripabelli, University of Molise, Campobasso, Italy
Harald Stummer, University for Health Sciences, Medical Informatics and Technology, Hall in the Tyrol, Austria
Yousuke Takemura, Mie University School of Medicine, Japan

Rheumatology

Oreste Gualillo, SERGAS, Santiago University Clinical Hospital and IDIS, Spain

Surgery and transplantology

Raimundas Lunevicius, General Surgery Department, Aintree University Hospital NHS Foundation Trust, University of Liverpool, UK
Nicola Tartaglia, University of Foggia, Italy
Thoracic and cardiovascular surgery
Massimo Conese, University of Foggia, Foggia, Italy
Joaquin Garcia-Estañ Lopez, University of Murcia, Spain

Urology
Vaclav Bunc, Faculty of P.E. and Sports Charles University, Czech Republic
Sang Hun Jang, Gimcheun university, South Korea
Wolfgang J Weninger, Medical University of Vienna, Austria

Associate Editors:
Bartłomiej Łukasz, Editorial Assistant, Medicine, DGO

Assistant Editors:
Srividya Velagapudi, Universitäts Spital Zürich, Swissland
Valentina Bernasconi, University of Gothenburg, Sweden
Silvia Stotani, Taros Chemicals GmbH & Co., Germany
Zheng Guan, University of Groningen, The Netherlands
Khalid Iqbal, The Philipps University of Marburg, Germany
Radiya Iswandana, University of Groningen (RUG), The Netherlands / Universitas Indonesia, Indonesia
Bifeng Wang, University of Munich, Germany
Nicholas Adjei, Leibniz Institute for Prevention Research and Epidemiology, Germany

Editorial Advisory Board:
Peter J. Barnes, Imperial College School of Medicine, UK
Robert Bartlett, University of Michigan Medical Center, USA
Eugene Braunwald, Partners Health Care System, Inc., USA
Geoffrey Burnstock, Royal Free and University College Medical School, UK
Gautam Chaudhuri, University of California- Los Angeles, USA
Rod J. Flower, The William Harvey Research Institute, UK
Stephen T Holgate, Southampton General Hospital, UK
Morley D. Hollenberg, University of Calgary, Canada
Graham R. V. Hughes, The Rayne Institute, St. Thomas' Hospital, UK
Kamyar Kalantar-Zadeh, Harbor-UCLA Medical Center, USA
Ronald C. Kessler, Harvard Medical School, USA
Maria Kopp, Semmelweis University of Medicine, Hungary
Andrzej Krolewski, Harvard University, USA
Harlan Krumholz, Yale University, USA
Asim Kurjak, University of Zagreb Medical School, Croatia
Dan L. Longo, National Institutes of Health, USA
Thomas F. Luscher, University of Zarych, Switzerland
Tadeusz Malinski, Ohio University, USA
